## Amazing Contrasts

Set your imagination working as you read Luke 3:1,2. The six names of the powerful suggest pride and splendor. You can imagine trumpet blaring. Then the "snapper" of the New Testament's frequent contrasts: "The word of God came unto John . . . in the wilderness."

The man in rough robes, living by whatever nourishment he found in the outlands, made himself the obedient messenger of God — and perhaps only once objected, and then when Jesus came among the penitent for baptism (Matthew 3:13-17).

Matthew 5:21-48 glows with the challenge of Jesus Christ to man's possibilities when man becomes a child of the Father. Ancient law is not enough; by contrast, the law of love taught by Christ brings human conduct to new levels.

The contrasts among the powerful who reject God's way appear in Mark 6:17-29. Herod Antipas "feared John," "heard him gladly," yet found or contrived, an excuse for having him slain.

Watch the Bible for such amazing contrasts, God's way versus the way of those who reject Him or deafen themselves to His commands. The contest persists today. — B. H. D.

Jane A. Snow of Evansville was reelected associate president. She graduated this May from Indiana State University at Evansville with

a B.S. degree in English (secondary education) and plans to take further studies for a master's degree in library science.

Vice-presidents elected include: LaVERN Billig (Pennsylvania); Alice C. Goodman (Virginia); Rev. Don J. Herbison (Ontario); Timothy J. Kribs (Oregon); Charles C. Meek (Texas); and Rev. Jerry A. Moore (D.C.).

Members of the administrative staff with offices in Columbus who were reelected are Rev. Charles W. Barner, general secretary and publisher, and Phyllis I. Rike, administrative secretary, treasurer, and editor of THE CHRISTIAN ENDEAVOR WORLD.

Regional vice-presidents named are: New England — Rev. Gordon G. Avery (Connecticut); Middle Atlantic — Alfred L. Saunders (D.C.); Southern — Alice C. Goodman (Virginia); Great Lakes — Major L. Snow (Indiana); Rocky Mountain — Rev. Arthur L. Riggle (Arizona); Southwestern — Mrs. R. H. Fuqua (Texas); Pacific — Raymond L. Pulsifer, Sr. (Oregon); Dominion of Canada — Arlene C. Members of the Executive Committee, the Board of Trustees, and the Educational Committee were also elected.

Youth Assembly delegates selected Richard A. Powell of Ohio as chairman for the next biennium with Felix Davis (Alabama) as vice-chairman and Linda Mills (Oregon) as secretary. The Youth Assembly chairman is also a member of the Executive Committee.

## Bylaws Revision

The Corporation on July 4 adopted a new set of Bylaws for the International Society. These are the result of work over two years by a special committee headed by Rev. Clair E. Beatty (Ohio).

Major changes include the addition of articles on the name, purpose,

headquarters, and seal, plus a new article on "General Membership," to differentiate between general membership in Christian Endeavor and membership in the Corporation.

Formerly Corporation membership was based only on the contribution of a membership fee. Under the revised Bylaws officers, Trustees, and committee members will be members, plus the president of each Christian Endeavor union and society which registers annually; this is automatic and requires no fee payment. The annual fee for those whose membership is based on a contribution remains at \$15, with a special \$5 fee for all under 18 or over 65. Life membership now requires a contribution of \$500 or more in any year.

readers as Corporation members, all  
endeavorers will have a stronger tie  
with the parent body and will be  
more involved.

Program responsibilities formerly  
assigned to the Executives' Program  
Council are now handled by the Trust-  
ees. The Board of Trustees consists  
of seven classes: Class A, two per-  
sons named by each denomination,  
union, or association; Class B,  
presidents and general, executive, or  
field secretaries of national, state,  
and provincial unions; Class C, two  
youth under 25 named by each church

group and each national, state, or  
provincial union; Class D, the offi-  
cers and Executive Committee mem-  
bers; Class E, Life Trustees; Class  
F, the employed Staff officers; and  
Class G, Trustees-at-Large.

Beginning in 1975 there will be  
only three vice-presidents, instead of  
six; the Executive Committee will be  
reduced from 25 to 15 members; and  
there will be no regional vice-presi-  
dents. It is envisioned, however, that  
regional meetings of many kinds and  
covering various areas will be set up  
by the Trustees.

## Tennessee Wins Registration Contest

Final winner in the Evansville Reg-  
istration Contest was the Tennessee  
Union. The Volunteers held a com-  
bating lead throughout the contest,  
winning first place at four of the  
five check-up dates. At the contest's  
close June 15 they had 225% of their  
minimum registration goal.

For this achievement Tennessee  
endeavorers received the coveted #1  
award banner and a \$45 check cov-  
ering convention "package plan"  
costs for their representative, plus  
choice seats at convention mass meet-  
ings. Registrar was Mrs. Varnell  
Gorenflo; Mrs. Olin F. Badeaux is  
union president and Lynn M. Mc-  
Knight is field secretary.

Golden Rule Union with 170% of  
the minimum goal placed second in

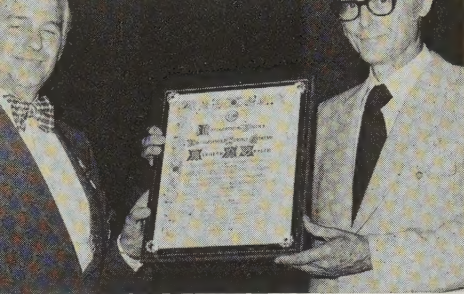

the contest. Credit goes to Mrs. Pe-  
cola McCutcheon, registrar. Mary-  
land with 140% of its goal finished  
third, followed by Michigan with  
107% and Missouri with 102%. The  
first five winners received special  
award banners.

The June 15 award of \$10 for  
highest gain during the fifth report  
period went to the Maryland Union,  
with 46% increase; Mrs. Virginia  
Humphries was registrar. Tennessee  
as winner of top award at February  
15, March 30, April 30, and May 31  
received a \$10 check at each date.

## THE CITATION

The International Society of Christian Endeavor, at its Fifty-Second Convention, confers this Fourteenth International Youth's Distinguished Service Citation, its highest award, upon Dr. Kenneth N. Taylor, author of **THE LIVING BIBLE**.

The only American to single-handedly paraphrase and publish the entire Bible in contemporary English, Dr. Taylor is a devout Christian, a theologian, and a scholar. To make the Bible more understandable for his ten children in their daily family devotions, he began his Christ-inspired work, to which he dedicated 14 years of his life.

The clarity of translation, simplicity of language, and faithfulness to original manuscripts brought an overwhelming response to Dr. Taylor's thought-by-thought translation.

Consumed by the belief that the Bible is the most important book in the world and ought to be read by everyone everywhere — and read with understanding, Dr. Taylor established Tyndale House Publishers, whose phenomenal growth is a modern miracle. Seeing the publication of **THE LIVING BIBLE** as only half the task, he channeled all royalties into worldwide distribution and missionary projects.

Exemplifying his spirit of humility, this quiet and unpretentious Christian has completely omitted his own name from **THE LIVING BIBLE**. God has used Ken Taylor mightily to make His Word come alive in our generation.

DR. KENNETH N. TAYLOR receives International Youth's Distinguished Service Citation from President Boss.

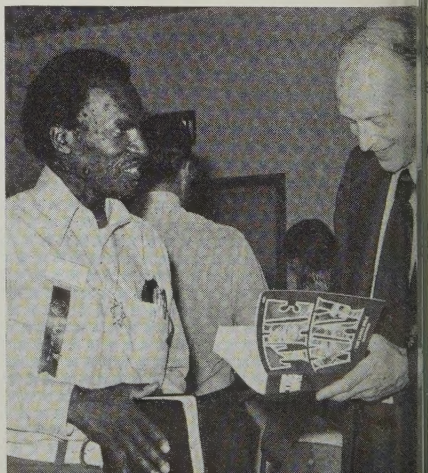

## Kenneth Taylor Receives Citation

Dr. Kenneth N. Taylor, author of **THE LIVING BIBLE**, received International Youth's Distinguished Service Citation at the July 6 closing session of the Evansville Convention. The presentation was made by Dr. LaVerne H. Boss, International Society president.

That afternoon Dr. Taylor was honored at a reception. Here he met convention delegates personally and graciously autographed copies of "The Way" **LIVING BIBLE**; he had provided these as a gift to all delegates following his morning theme presentation.

As a high school freshman Dr. Taylor was a member of a Christian Endeavor society in Beaverton, Oregon. He credits his early commitment to Christ to this association.

DR. TAYLOR autographs a copy of **THE WAY** (paper-back youth issue of **THE LIVING BIBLE**) for Ohio Union prexy Larry W. Clark.

# Christian Endeavor's 1974 Christian Youth Witness Program

Christian Endeavor's 1974 Christian Youth Witness Program offers the Albert H. Diebold Awards for individuals and societies — \$1,150 in cash and award plaques and honor certificates.

The program is designed to generate in Christian youth a desire to give witness to their faith in Jesus Christ and to serve together for Christ and the Church in their community, nation, and world. This 23rd annual competition is based on Christian witness projects reported by individuals and societies in the United States and Canada.

For the 18th year the awards are named in honor of Albert H. Diebold, Christian layman of New York City who died in 1964. Through his generous financial support, continued through the Diebold Foundation, this program has been made possible.

## For Individuals —

Awards will be given for articles, editorials, talks, posters, photographs, cartoons, or activities which give a significant Christian witness to the community. All youth under 25 years of age in the United States and Canada are eligible. Top award is \$200 in cash with \$125 for second place, \$75 for third, \$50 for fourth, and three runner-up awards of \$25 each.

## For Societies —

Society awards are based on the sponsoring and reporting of a significant completed Christian witness project. Each entry will be evaluated on the basis of group participation, goals established and achieved, and Christian witness to the community. All Christian Endeavor societies or similar youth groups in the United States and Canada are eligible. Majority of members must be under 25 years of age. First award is \$225 in cash, with \$50 to the society taking second, \$100 for third, \$75 for fourth, and \$25 each for three runner-up groups.

## Award Presentations —

Deadline for entries is February 15, 1974, with winners to be announced April 8. Awards will be presented locally as arranged by the International Society with Christian Endeavor leaders and/or local church leaders.

# POWER TO BECOME

— Christ's Person

— Christ's Light

John 1:12

*"The true light that enlightens every man was coming into the world. He was in the world, and the world was made through him, yet the world knew him not. He came to his own home, and his own people received him not. But to all who received him, who believed in his name, he gave power to become children of God; who were born, not of blood nor of the will of the flesh nor of the will of man, but of God."*

(John 1:9-13)

"Who am I?" is one of the pressing, persistent questions of our time. It is a characteristic of life today that vast numbers of people feel alienated from God, from one another, and from themselves. With the constantly changing patterns of society and the crumbling of familiar structures, more and more persons tend to feel "out of touch."

The Gospel of Jesus Christ is good news to such persons; good news to the broken, the alienated, the losers, and the uncertain. It is just such people — "not the righteous, but sinners" — that God loved when He came in the world in Jesus Christ. In Him, God gives us the "power to become" someone. He restores our broken relationships. He brings meaning and purpose to life. Through Christ we become Christ's Person and Christ's Light.

**Christ Is Completely Adequate to Supply the "Power to Become"**

- "He was in the beginning with God . . ." (John 1:2)
- "All things were made through him . . ." (John 1:3a)
- "In him was life . . ." (John 1:4a)
- ". . . The life was the light of men." (John 1:4b)
- "The true light that enlightens every man was coming into the world." (John 1:9)

## Christ Gives You the "Power to Become" —

### Christ's Person —

Power to become "children of God." (John 1:12c)

"Born not of blood nor of the will of the flesh nor of the will of man, but of God." (John 1:13)

We are adopted as His children. (Galatians 4:4-6)

As adopted children we are heirs of God. (Galatians 4:7; Romans 8:14-17)

As heirs of God we receive an imperishable inheritance. (1 Peter 1:3-5)

### Christ's Light

Jesus said, "I am the light of the world; he who follows me will not walk in darkness, but will have the light of life." (John 8:12)

Jesus said, "You are the light of the world." (Matthew 5:14)

Jesus said, "Let your light so shine before men, that they may see your good works and give glory to your Father who is in heaven." (Matthew 5:16)

### How to Experience this "Power to Become"

"To all who **received** him . . ." (John 1:12a)

". . . Who **believed** in his name." (John 1:12b)

### When to Experience this "Power to Become"

"Behold, **now** is the acceptable time . . ." (11 Corinthians 6:2)

". . . **Now** is the day of salvation." (11 Corinthians 6:2)

"**Today**, when you hear his voice, do not harden your hearts." (Hebrews 3:15)

Romans 12:1, 2.

This program is based on the current biennial theme of the International Society of Christian Endeavor. The basic material was prepared by Rev. Ralph E. Robrahn, pastor of Bayshore Gardens Reformed Church, Bradenton, Florida.

## **A Personal Report**

# **My Experience In Christian Endeavor**

**By Lynn E. Stanley (Missouri)  
1971-73 Youth Assembly Chairman**

My experience in Christian Endeavor has encompassed a period of six years. In these six years I have truly grown in Christ and have had some wonderful Christian fellowship.

I became a Christian when I was confirmed in the Presbyterian Church, but I really didn't realize what a Christian is or what he does or how he is changed until I became involved in Christian Endeavor. I don't mean to discredit my parents, who are Christians, or my own church. I was at an age, I guess, where I was able to fully grasp the importance of Christ's sacrifice on the cross and relate it to my own life.

My salvation wasn't earthshaking; I wasn't a hardened delinquent saved from the gutter. It was a very quiet experience. But when I became involved with Christian Endeavor new things confronted me, challenging me.

I went to Christian Endeavor camp for the first time the summer after my confirmation. While I was there I realized that I hadn't really given myself to God. At consecration service later in the week, I rededicated my life to Christ and really gave myself to Him. And then the tears came along with that peace of God's that entered my life.

I got involved in Christian Endeavor right from my introduction to it, first in my church society and then all the way up to the state level, where the Missouri Union asked me to be one of its delegates to the Youth Assembly at the St. Louis Convention in 1971. At the Assembly I was elected chairman and that's when the involvement really began — meetings, reports, letters, travel, new faces, and new experiences.

By the end of the four days at the St. Louis Convention, I wasn't sure I'd make it. I was tired and crabby. But at the communion service on the last day, something happened. Something in that huge room with all those people was different. As I prayed and took the Lord's Supper, I could sense God right where I could reach Him and I knew He would always be there. When the service was over, I wasn't tired or crabby anymore.

From the many experiences I've had in Christian Endeavor since the 1971 Convention — Executive Committee meetings and Executives' Program Council — I have learned so much: how to work and plan with others, young and old; new ideas and concepts; when to be quiet and listen and when to speak up.

The thing I cherish most about the experiences of the last two years is the many friends I've made. They're spread all across North America — from Canada to Texas, Oregon to New York. When I've been with these friends, it has always been shorter than a week, but we build a closeness between each other because of our faith in Jesus Christ that we share. The other bond that draws us together is our commitment to Christian Endeavor.

THIS POSTER prepared by New Jersey youth helped decorate the room where the banquet was held; Harold Byers of Pennsylvania led the singing; Rev. Richard Foster was speaker.

## Christian Endeavor in Action

Using the theme "Training Union and Society Leaders" (Proverbs 22:6; Timothy 2:15), Endeavorers of the Middle Atlantic Region met May 10-20 at Hotel Whitehall in Ocean City, New Jersey. Alfred L. Saunders, vice-president in charge of the region, directed the program, which included a variety of training experiences for the approximately 75 who participated.

YOUTH participation included a conference period, recreation, and a youth camp session.

## Christian Endeavor with a Purpose

By Dr. LaVerne H. Boss, President

International Society of Christian Endeavor

It is a real pleasure to make this report to you about our beloved Christ-centered movement. How I wish I could talk with each of you in a more personal way. It has been a high honor for me to participate in youth rallies and conventions on numerous occasions since becoming your president in July 1971. Actually, our success is because of your interest, concern, prayers, and contributions. Yes, today Christian Endeavor is very, very much alive and in business.

Some of you may say, what type of business? Our number one purpose is to win young people to the Lord Jesus Christ and train them for service to Christ and the Church. I am pleased to observe that our Christian Youth Fitness Program is drawing young people into active participation in their respective churches and communities. Our Youth Assembly, directed by Lynn Penney, with the capable assistance of Jane Snow, our associate president, has had a tremendous impact upon the work and direction of the Christian Endeavor movement, especially in the organization and planning for the convention in Evansville July 2-6.

The one thing that I have noted during my travels and participation in activities the past two years has been the terrific capabilities of our youth. They are on fire for Jesus Christ and are not ashamed to tell others about it. Most of my generation were much more reluctant to stand up and tell of our faith and commitment to Jesus Christ than are the youth in Christian Endeavor today.

Christian Endeavor can only go forward as we continue with our basic principle of support and loyalty to our local church. Today many organizations tend to bypass or circumvent the local church. However, loyalty and support of the local church and all its programs has been a basic principle of Christian Endeavor for nearly a full century.

Sure, we have problems today. There are many areas in which we would like to expand. A critical area is the need for greater field work. Materials should be printed in additional languages, especially Spanish. Our evangelistic program could be strengthened. You see, my Christian Endeavor friends, the need is great; the challenge is clear.

This challenge is true for all of us and together we can reach new heights, always remembering that our ministry is to young people in particular — that they may come to know Jesus Christ as Lord and Saviour, that they will commit their lives to Him, and within the framework of a society in a local church be trained for service to Christ and the Church. This is my desire and I pray that it may be yours, too.
